

## Policy Update

February 24, 2023

**Congress** – Congress was in recess the week of February 20<sup>th</sup> but, before the recess, Congressional infrastructure committees were focused on aviation issues in advance of the FAA reauthorization bill and completing their committee organizing. Congress is awaiting the President's budget submission which will kick off the Congressional budgeting process.

**USDOT** – USDOT and other Federal Agencies have been focused on the cause of, and the response to, the Norfolk Southern derailment in East Palestine, Ohio.

The FHWA recently added the following documents to its BIL webpage:

- [EV Charging Minimum Standards Rule](#)
- [Build America Buy America Implementation Plan to Enhance Buy America Standards for EV Charging](#)
- [Training and Education Fact Sheet](#)
- [Rural Surface Transportation Fact Sheet](#)
- [Congestion Relief Fact Sheet](#)
- [PROTECT Discretionary Fact Sheet](#)
- [Charging and Fueling Infrastructure Fact Sheet](#)

**GRANTS** – Please use the link below to see the Updated NOFO Schedule. This schedule covers USDOT and other Federal Agency opportunities.
